Re: Freedom of Information Request 344-2021

Thank you for your email dated the 24th November 2021, requesting information in relation to energy.

The information that you require is as follows:

1. Whether the Trust is on a fixed rate tariff contract for energy.

The Clatterbridge Cancer Centre Liverpool is currently on a fixed tariff for both gas and electric.

The Clatterbridge Cancer Centre Wirral and The Clatterbridge Cancer Centre Aintree both receive electric and gas from the respective neighbouring Trusts. We do not have the full details of their respective contract terms with their energy suppliers, both Trusts use an energy trader to advise on types of tariff hence they will be operating a variety of tariffs with different contract end dates.

2. The Trust's annual energy budget for 2021/22.

The total energy budget was £1.3m

3. Whether the Trust anticipates any additional energy costs in the second half of 2021/22.

Yes

4. If yes to the above, the value of any estimated additional energy costs for the second half of 2021/22.

£350K above the 2021/22 budget for the second half of the year to 31-03-2022.

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.

If you are dissatisfied with the information you have received, you have the right to ask for an internal review.
