Dear Kieren Williams

Re: Freedom of Information Request 149-2022

Thank you for your email dated the 4th May 2022, requesting information in relation to Covid-19 infection rates.

The information that you require is as follows:

Please note, in accordance with the Data Protection Act 2018 our Trust is unable to release all of the information requested. The Clatterbridge Cancer Centre NHS Foundation Trust (CCC) is a relatively small Trust and by providing this level of detail where the number of patients is less than or equal to five increases any ‘potential’ risk of this data becoming identifiable information and thereby contravening one or more of the Data Protection Principles by releasing it into the public domain. Confidentiality is expected in such matters. This information is therefore exempt under Section 40: Personal Information, of the Freedom of Information Act 2000. The areas where this exemption has been applied are shown below:

1. The number of people who were infected with Covid-19 inside your hospitals - so the patients who tested positive for Covid-19 after testing negative when they were first admitted. Please may I have the figures broken down for the number of hospital-acquired infections for each individual hospital.

Clatterbridge Cancer Centre – Liverpool	16
Clatterbridge Cancer Centre - Wirral	13

2. The number of people who after being infected with Covid inside the hospital, then died of or with the virus, whilst in hospital, or after discharge. Please may I also have these figures broken down for the number of deaths for each individual hospital.

Clatterbridge Cancer Centre – Liverpool	0
Clatterbridge Cancer Centre – Wirral	Exempt under S40

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.

If you are dissatisfied with the information you have received, you have the right to ask for an internal review.

Both processes will be handled in accordance with our Trust's Freedom of Information Policy and the Freedom of Information Act 2000.

Internal investigation and internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Freedom of Information Review, The Clatterbridge Cancer Centre NHS Foundation Trust, Clatterbridge Road, Bebington, Wirral, CH63 4JY.
