

refractory DLBCL or relapse within 12 months of RCHOP

Clinical trials?

Relapse DLBCL after 12 months

Biopsy and fitness assessment

Unfit

Biopsy and fitness assessment

Palliative RT, steroids, oral chemo

Eligible for CAR-T

Ineligible for CAR-T (Not "ASCT suitable")

Eligible for ASCT

Not for ASCT

Bridging RT or R-chemo

R-chemo eg RGDP

R-chemo eg PBR, RGDP

CAR-T

R-chemo eg PBR, RGDP

PET D1-3

PET D4-5

PET

If relapse/refractory

CMR (D1-3)

PR (eg D4)

SD/ PD

MDT

Eligible CAR-T?

ASCT

CAR-T

Relapse

Relapse

Relapse

Ineligible CAR-T

Relapse

Palliative

Unfit

Consider fitness and prior treatments:
 1. Clinical trials
 2. ASCT/ allograft
 3. Bispecifics
 4. compassionate access
