Dear member,

The Clatterbridge Cancer Centre Annual
Members' Meeting is coming up. This is your
opportunity to join us for an informative
evening where you will be able to hear
about what has happened since our last
meeting a year ago - as well as to comment
on our exciting plans for the coming year.

Come and listen to an update on our
fantastic new cancer hospital in Liverpool
which will for the first time introduce single
rooms for all our patients. Find out how
these rooms will improve patient privacy and
dignity and how new state of the art patient
entertainment and communication systems
will enhance overall patient experience.

We are keen to hear your views and
look forward to seeing you there.

Wendy Williams
Chair
