The information that you require is as follows:

The details of your use of body cameras in your organisation –

Does anyone (staff or contractors) in your organisation use/wear body cameras or body worn video recording devices while performing their duties?

No, neither any staff from the Trust or any staff contracted from Aintree or Wirral wear body cameras.

If yes, please detail:

Who provides the body cameras and footage/evidence management used by your organisation?

How many staff members use body cameras and what capacities/teams do they work in? Are they staff or contractors (for e.g. outsourced security personnel) How many body cameras in all are currently owned and/or used by your organisation?

Were the cameras bought as a one off purchase and if so, how much did they cost your organisation?

If they are part of an ongoing contract - what is the current contract term (how long is it and when does it expire) and what is the value of said contract?

Where is the data recorded stored – on premises locally or on cloud?
