Re: Freedom of Information Request
Ref: 27- 2018

Thank you for your email dated 8th February 2018 requesting information regarding one of our CT Scanners.

The information that you require is as follows:

In your FOI response you listed;

- One CT Scanner acquired in 2005.

Firstly, would it possible to send me a picture of the said machines? If so, would I be able to share this image publicly?

Secondly, is there a reason why these machines have yet to be replaced?

This scanner has now been removed from the Trust. The replacement scanner will be clinical in April 2018. There have been some delays in replacement due to the phasing of other machine replacement in the Trust. We do not have a photograph available although you may be able to download a photograph of this model or a similar one from the manufacturer's website. Please find a link to their website below:

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.
