**Re: Freedom of Information Request**  
**Ref: 200-2018**

Thank you for your email dated 5<sup>th</sup> September 2018, requesting information in relation to haematological cancers.

The information that you require is as follows:

**We are developing an online resource for cancer patients which aims to help people learn more about the hospitals in their area.**

**We have gathered lots of data regarding hospitals in English trusts, and we are now expanding the site into other areas, including haematological cancers. I thought it would be useful to get in touch to see if you'd be able to help me pull together some information about the hospitals in The Clatterbridge Cancer Centre NHS Foundation Trust.**

**Part of the website will show patients which diagnostic tests (and therefore biomarkers) are used/available for haematological cancers at each hospital. Please see attached a list of the available tests and biomarkers, but it would be incredibly helpful if you could let me know which are available at which hospital throughout The Clatterbridge Cancer Centre NHS Foundation Trust.**

**[Please see our completed response spreadsheet attached.](#)**

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.

If you are dissatisfied with the information you have received, you have the right to ask for an internal review.

Both processes will be handled in accordance with our Trust's Freedom of Information Policy and the Freedom of Information Act 2000.

Internal investigation and internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Freedom of Information Review, The Clatterbridge Cancer Centre NHS Foundation Trust, Clatterbridge Road, Bebington, Wirral, CH63 4JY

If you are not satisfied with the outcome of the internal investigation/review, you have the right to apply directly to the Information Commissioner for a decision.
