Thank you for your email dated 23rd October 2018 requesting information regarding information systems.

The information that you require is as follows:

We are interested to understand the IT applications that The Clatterbridge Cancer Centre NHS Foundation Trust are using to manage the clinical records of patients across all departments and specialities listed below my signature. Our request is limited to systems holding patient clinical records as an electronic health record (EHR), and excludes systems such as Patient Administration Systems (PAS), Portals, and other back office corporate systems that are not used by clinicians to handle patient clinical records.

For each system, please list both the system name and the manufacturer or vendor. Where there is an in-house IT application, please provide contact details for the person responsible for this application.

Please see Appendix 1

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.
