Re: Freedom of Information Request
Ref: 129- 2019

Thank you for your email and clarification dated 10th May 2019 requesting information regarding payroll provider.

The information that you require is as follows:

Hi, in August 2014, I managed a change of payroll provider for this Trust from Capita to Mckesson. I know there was a cost saving but I cannot remember how much it was - can you remind me please. It will be in the original business case associated with the project and your procurement team should have this in their files as they would have had to justify it to both internal and external audit.

Unfortunately this information is not held. Following a review of the documentation regarding the move to McKesson as a payroll provider it has not been possible to accurately identify the cost saving for the payroll element only as the original contract with Capita was for a fully managed outsourced transactional service, this included transactional recruitment, pensions and transactional payroll, the cost of which was not identified by work area. The contract with McKesson was for payroll and pension services only.

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.

If you are dissatisfied with the information you have received, you have the right to ask for an internal review.

Both processes will be handled in accordance with our Trust's Freedom of Information Policy and the Freedom of Information Act 2000.

Internal investigation and internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Freedom of Information Review, The Clatterbridge Cancer Centre NHS Foundation Trust, Clatterbridge Road, Bebington, Wirral, CH63 4JY

If you are not satisfied with the outcome of the internal investigation/review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

In order for us to ensure customer satisfaction and to monitor compliance with the Freedom of Information Act 2000, we would be grateful if you could take a couple of minutes to complete a short feedback form via the link below:
