- The **Clatterbridge** Cancer Centre is one of the UK's leading providers of non-surgical cancer treatment
- We're expanding our **cancer care** services with the opening of a brand new specialist hospital in May 2020
- Our new hospital will be based in the heart of **Liverpool** city centre
- You'll find Liverpool's first cancer hospital on **Pembroke Place**
- Our new Liverpool hospital will give patients increased access to pioneering **clinical trials**
- Clatterbridge Cancer Centre – Liverpool, will also have; Rooftop **Courtyards**, a Radiotherapy Winter **Garden**, **single** room accommodation
- We'll be here for patients now and in the future at; Clatterbridge Cancer Centre – Liverpool, Clatterbridge Cancer Centre – **Wirral**, Clatterbridge Cancer Centre – **Aintree** and at clinics in locations across **Cheshire** and **Merseyside**
- We'll be here **planning** for the future, with investment in cancer care across the region
- As part of our £162m investment to **transform** cancer care, we will also be redeveloping our Wirral site
- We'll be here giving the best care to **everyone** who needs it
