**Re: Freedom of Information Request**  
**Ref: 46 - 2020**

Thank you for your email dated the 6<sup>th</sup> February 2020, requesting information relating to data sharing and data skills.

The information that you require is as follows:

**For the following questions, I understand data analytics technology to mean software that aggregates and analyses data to identify patterns and deliver insights.**

- **Is your hospital part of a multi-agency integrated network that shares data for analysis? If so, please confirm with which agencies you share data (i.e. police, social services, fire services, etc.)**

**No, our Trust is not currently part of a multi-agency integrated network that shares data for analysis.**

- **Is your hospital part of any of the following networks and, if so, do you share data for analysis with other organisations in this network:**

- **Integrated Care Partnership** No
- **Integrated Care System** Yes, Wirral Care Record
- **Primary care groups, e.g. GPs** No
- **Local Integrated Care Record Exemplars**

**Yes the Trust is part of the following Local Care Records:**

- **Wirral Care Record – Data is shared for population health analysis**
- **Cheshire Care Record – Data is not shared for analysis**
- **eXchange – Data is not shared for analysis**

- **If your hospital is part of a multi-agency integrated network that shares data for analysis, does the network conduct analysis for the following use cases:**

**N/A- Please see question one.**

- **To understand key population health issues**
- **To allocate funding for key preventative work**
- **To identify vulnerable and high-risk people for support interventions**

**For the following questions, we define a data literacy programme as a training programme for employees that helps them learn how to read, understand, question and analyse data.**

- **Do you have a data literacy programme?**

**No, our Trust does not have a data literacy programme.**

- **If so, is the data literacy programme made available to people in the following roles (please confirm for each of the following roles listed): Physician, Nurse, Pharmacist, Management, Accountant/Finance, HR and Recruitment, IT Office, Administrative Assistants, Data analyst/scientist (including roles such as Performance Reporting and Informatics)**

**N/A- Please see above**

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.

If you are dissatisfied with the information you have received, you have the right to ask for an internal review.

Both processes will be handled in accordance with our Trust's Freedom of Information Policy and the Freedom of Information Act 2000.

Internal investigation and internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Freedom of Information Review, The Clatterbridge Cancer Centre NHS Foundation Trust, Clatterbridge Road, Bebington, Wirral, CH63 4JY

If you are not satisfied with the outcome of the internal investigation/review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

**In order for us to ensure customer satisfaction and to monitor compliance with the Freedom of Information Act 2000, we would be grateful if you could take a couple of minutes to complete a short feedback form via the link below:**
