Ref: 22-2020

Thank you for your email dated 24th January 2020 requesting information regarding the employment of learning disabilities nurses (RNLD) within the Trust.

The information that you require is as follows:

I am requesting information under the Freedom of Information Act 2000 about the employment of learning disabilities nurses (RNLD) within your Trust. Specifically,

- **How many learning disabilities nurses are employed within the Trust?**
- **Do these nurses hold a single or dual registration (e.g. as registered adult, child or mental health nurses)?**
- **What is their job title and banding?**
- **Where do these nurses work, and what types of services are these?**
- **If possible, could you provide job descriptions for these posts?**
- **How is information about the employment of learning disabilities nurses within the Trust gathered and recorded?**
- **Is the decision whether or not to employ learning disabilities nurses within the Trust part of any strategic plan for workforce development or promoting patient experience?**

I can confirm that our Trust does not hold any information in this regard. Our Trust is a tertiary specialist cancer treatment centre and does not employ learning disabilities nurses (RNLD), therefore, the information you have requested is not applicable to our Trust in this instance.
